

DEAR PARENTS,

Pictures and occasionally videos are taken at David's Christian Learning Center by staff and or other parents on field trips, class parties, Christmas programs, and other special occasions or just regular everyday activities.

Please sign below to indicate that you give permission for the above activities.

My child, _____, has permission to have their picture taken or be a part of video filming while participating in David' Christian Learning Center activities. We will alert you the day before if we do any video filming.

Some of these pictures may also be used for our web site. Please sign below to indicate that you given permission for this.

My child, _____, has permission to have their picture taken with the understanding it might also be used on David's web site at www.dclearningcenter.org. I also understand that my child's name will not be used on the web site in conjunction with any of the pictures.

The center Director also keeps a scrapbook of the center to be shared with perspective parents coming in and keep a record of activities we have done. The pictures in the scrapbook are from activities done here and on field trips. Please sign below to give your permission for including these pictures in a scrapbook.

My child, _____, has my permission to have their picture taken with the understanding that it will be used only for the above reasons and in the scrapbook. I understand that perspective parents will be looking at the scrapbook. Only first names and last name initials will be used if any journaling is done.
